

## **Saline Area Senior Center Souper Bowl Competition Rules & Application**

Organizations and restaurants may join our Souper Bowl Competition! Proceeds fund Saline Area Senior Center programming.

**Cooking rules:** Contestants must prepare their soup at their location and provide at least a gallon of soup for the contest (the past competitions had about 100 people in attendance with many getting another 2oz cup). Please bring serving utensils and any condiments/toppings you may need. We will provide 2oz cups, napkins, spoons, and trays. Contestants are welcome to bring marketing materials, tablecloths, etc.

Competition entry fee is free. Public fee for the tasting is \$5 per person. Individuals will receive a set of tickets to vote with. They may spread the tickets out equally or give their tickets to just one contestant. Your table and cups will have a number associated with your soup to make judging easier for contestants. You will also receive ten tickets to taste and vote for your favorites too. Staff can help with serving yours while you taste others!

Bragging rights and a cool handmade trophy will be given for Best Hearty Meat Soup and Best Vegan/Vegetarian, for both People's Choice and Judges' Choice. You may enter up to two soups, but they must be in the different categories.

Please specify what the name of your soup is and which category it is in. We like to market this so more people attend!

Please arrive at Saline Area Senior Center by at 10:30am as the tasting will start at 11am, and people are generally a bit early. You may park in the back of our building for easier access. If you have an extra extension cord or power strip on hand, please bring them. We do have a few extra cords and power strips, but it may come in handy to have your own.

You will have half of our 6 foot tables, sharing with another contestant. Please reach out to Megan if you need a full table.

Please bring gloves to wear.

Back this year is our silent auction with soup mugs created and donated by Liberty Club! Thank you for your entry!

**Please contact Megan Kenyon, Program Coordinator with any questions and to return your application at 734.429.9274 or [kenyonm@salineschools.org](mailto:kenyonm@salineschools.org).**

**Registration Form  
Friday, February 9, 2023  
11am-12:30pm**

**Due to Megan by Feb 1, 2024**
